Case No. 17-cv-04149-SRB

ORDER

The Court recognizes the hard work that the Missouri Department of Corrections has put in to bring its parole revocation procedures into compliance with the November 12, 2020 Order, including working with the Missouri State Public Defender Parole Revocation Defense Team, revising training for its staff, and developing a new collection and production system for processing adverse evidence for unrepresented parolees. However, as there remains remedies yet

to be fully implemented as Defendants acknowledge, the Court finds the need to retain jurisdiction in this case. Therefore, the Court shall retain jurisdiction over this case through December 31, 2024. Defendants are hereby ORDERED to submit updates on their compliance with the November 12, 2022 Order on May 1, 2024 and December 1, 2024.

IT IS SO ORDERED.
